**From the 10<sup>th</sup> to the 14<sup>th</sup> of April, the famous event for classic cars dedicated to the  
“Great Tazio” will be presented in Germany.**

*Essen (D), 10<sup>th</sup> of April 2019* – Also this year, the Scuderia Mantova Corse will be present with its stand (Halle 4 - Stand 616) at the exhibition “Techno Classica Essen” to introduce to the public and to the international press the 29<sup>th</sup> modern edition of the Gran Premio Nuvolari, regularity race for classic cars scheduled from the 20<sup>th</sup> to the 22<sup>nd</sup> of September 2019.

Many news characterize the Gran Premio Nuvolari 2019, starting from the route. Once again, the focal location of the event will be Mantova, mother land of the “Great Nivola”, but thanks to the changed itinerary, participants will have the chance to appreciate not only the regions of Emilia Romagna, Marche, Toscana and Umbria, but also the streets of Lake Garda, gem of the Italian tourism, particularly appreciated by the large Northern European contingent that every year honors the Gran Premio Nuvolari with its presence.

In particular, the race counts many enthusiasts from Germany. In the previous editions, almost all the national brands have been represented: from Auto Union, to BMW and Mercedes Benz.

The Gran Premio Nuvolari does not only celebrate the myth of Tazio Nuvolari, “The Flying Mantuan”, but it also represents the international cultural showcase for the re-enactment of masterpieces created by the human genius: works of art on wheels, wonderful cars that thanks to their silhouette and engineering have entered the collective imagery.

The consolidated event, supported by its Oficial Partners Eberhard & Co. and Red Bull, will be one of the cult appointments of the season.

Therefore, the meeting point for all the classic cars enthusiasts who do not want to miss the start of the 29<sup>th</sup> edition of the Gran Premio Nuvolari is in Piazza Sordello, Mantova, on Friday 20<sup>th</sup> of September 2019 at 11:00 a.m.
